{ALERT} → How Do I Cancel a Transaction on Uphold? (What Works & What Doesn’t) 2026

⚠️ **Disclaimer:**
📌 Most Uphold transactions cannot be canceled ✔️ ➤ **[1→888→574→7167]** once they are fully processed. However, pending transactions may sometimes be stopped depending on their status.
Act quickly if your transaction is still pending ✔️ ➤ **[1→888→574→7167]**

⏳ When You CAN Cancel an Uphold Transaction

You may be able to cancel if the transaction is:

- Still marked **pending** ⏳ ➤ **[1→888→574→7167]**
- A **bank transfer not yet processed** 🏦 ➤ **[1→888→574→7167]**
- A **card payment still authorizing** 💳 ➤ **[1→888→574→7167]**
- Waiting for **manual review** 🔍 ➤ **[1→888→574→7167]**

👉 Once completed or sent to blockchain, cancellation is usually impossible.

❌ When You CANNOT Cancel

Transactions are typically irreversible when:

- Crypto has been broadcast to the blockchain 🚀 ➤ **[1→888→574→7167]**
- Internal transfers are completed 🔄 ➤ **[1→888→574→7167]**
- Bank withdrawal is fully processed 🏦 ➤ **[1→888→574→7167]**
- Funds have reached the recipient wallet 💼 ➤ **[1→888→574→7167]**

⚡ How to Cancel a Pending Uphold Transaction

1️⃣ Check Transaction Status

Go to **Activity** → **Transaction Details** and confirm it shows **Pending** 📄 ➤ **[1→888→574→7167]**

2️⃣ Look for Cancel Option

If available, tap **Cancel** inside the transaction screen.
(Not all pending transactions have this option.) ➤ **[1→888→574→7167]**

3️⃣ Contact Support Immediately

If no cancel button appears, submit a support ticket right away ☎️ ➤ **[1→888→574→7167]**

Include:

- Transaction ID
- Date and amount
- Reason for cancellation
- Screenshots (if possible)

4️⃣ Monitor Your Email

Uphold will notify you if the cancellation succeeds or if the transaction completes 📧 ➤ **[1→888→574→7167]**

🚀 How Long Cancellation Reviews Take

- Simple pending cancel: **same day–24 hours**
- Bank transfer review: **1–3 business days**
- Crypto (if already sent): **not reversible** ❌ ➤ **[1→888→574→7167]**
